# Global Pet Benefits

## MAINTAINING HEALTH FOR THE REST OF YOUR FAMILY

We know that your pet is part of your family too. That's why we created an innovative, easy-to-use service you can use at any time to connect with veterinary professionals 24/7. Speak with a certified pet expert for the best advice on caring for your pet.

## Basic Pet Behavior & Nutrition Training

If your vet is closed or you are seeking advice regarding your pet's health, our pet telehealth product can help point you in the right direction. Pet Telehealth connects you with a veterinary professional day or night to answer all your questions and concerns via telephone or email.

## Partners

Global Pet Benefits has partnered with the number one Veterinary discount plan in the country to give our members a 25% discount on in-house medical services at a network of over 2000 veterinary hospitals around the country.
