This is not insurance

Accessing Your Member Benefits is as Easy as 1, 2, 3

Visit www.premiererx.com and follow these
3 Simple Steps

SEARCH

Discover your medication, enter the dosage and amount, and receive the cost instantly.

SELECT

Select the best price for your medication and decide the method of delivery that works best for you.

SAVE

Avoid over-priced medication and pay affordably online. Pick it up from your local pharmacy or receive it at home.

Select Your Delivery Method Easily

Search for your prescription medication, enter the quantity and dosage, then receive prices instantly. To save, select one of the following six options:

LOCAL
PHARMACY

ORDER
BY MAIL

PRESCRIPTION
ASSISTANCE
PROGRAM (PAP)

PILL SPLIT

THERAPEUTIC
ALTERNATIVE

GENERIC
EQUIVALENT

Save even more time and money by qualifying for a PAP program

Search on www.premiererx.com and receive instant prices. Get a 90-day supply sent to your home or once a month, if eligible.

More information on your physician and prescription may be needed for the Generic Equivalent, Therapeutic Alternatives, Pill Splits, or PAP. We will contact your physician or current pharmacy to obtain more information if needed, while notifying you of your medication's arrival in a few days' time.

MOBILE DIAGNOSTIC SERVICES

FAST FORWARD!

Partnered with X-Ray technologists and sonographers from MobileUSA, PremiereRx is now providing high quality digital radiography, ultrasounds, electro-cardiograms, and other mobile clinical services in the convenience of your own home.

X-RAY

Exams are interpreted by board-certified radiologists for preliminary reports conveniently delivered over the phone.

ULTRASOUND

Echocardiography, general ultrasound, arterial, venous, and vascular doppler services are available on a scheduled basis.

ELECTROCARDIOGRAM (EKG)

Standard 12-lead electrocardiograms are performed upon request. A tracing is provided by an attending physician.

Our mission is to provide premiere care for extraordinary patients: wherever, whenever. We provide all-in-one comprehensive mobile diagnostic services at the fastest rate accessed from your home. Access digital radiography, electrocardiogram, and other clinical services all from your phone.

Over 1,200 licensed medical specialists are here to give you the care you need from your home. No more waiting rooms, just quick services from our expert team.

Simply Use Your Savings

CUSTOMER SERVICE

Toll-Free: (855) 202-9184

Our PremiereRx customer service department is here to answer your questions and relieve your concerns.

PRESCRIPTION SAVINGS

We allow you to select from 60,000 pharmacies nationwide for online prescription services. Instant savings due to price competition allows you to order what you need affordably.

MOBILE DIAGNOSTICS

Through online ordering, we offer easy mobile clinical services accessed in your own home. Diagnostic technicians schedule your study 24 hours after the confirmation of your order.

This service is NOT INSURANCE nor is it meant to be a health insurance replacement. This is mobile diagnostic service that serves as a gateway between our members and physician care virtually. More information on your physician and prescription may be needed for Equivalent, Therapeutic Alternatives, Pill Splits, or PAP. We will contact your physician or current pharmacy to obtain more information if needed while notifying you of your medication's arrival in a few days' time. This is not insurance. For individual plans, it's only \$47.93 per month. For family plans, it's only \$57.93 per month.
