Lab & Wellness Benefit Plan

A SAVINGS PROGRAM FOR YOUR EVERYDAY HEALTH AND WELLNESS

Contents

Life Extension 3

Our health advisors design a simple yet effective nutritional regimen and exercise plan that fits WPA members' lifestyle.

Labwork Benefit 4

We assist in the prevention and early detection of diseases by providing a low-cost, high-quality screening program.

Patient Advocacy 5

Our memberships offer more than a Personal Wellness Concierge and an attentive FREE Health Advocate.

Weight Loss 6

Using our Deep Cleaning and Fat Burning system you can achieve a happier, healthier you. Start your journey towards reaching your weight loss goals.

Global Pet Benefits 7

Pets are part of your family as well, Lab & Wellness includes an innovative and easy to use on-demand service allowing pet owners access to pet care professionals 24/7.

Included in this brochure are services providing access to Health and Wellness advisors to answer questions about any of your health concerns. Our Patient Advocates are available to assist you when making appointments while guiding you towards additional benefits such as cost savings and more. We offer comprehensive services for early detection and disease prevention. Additionally, you can save more through our Global Pet savings program for all your pet's supplies and health needs. We welcome you to discover more about this comprehensive plan to help you save money, improve your overall well-being, and live your happiest, healthiest life.

This is not insurance

Life Extension

Answering the questions regarding your health

The Life Extension Health Advisor Team consists of neuropaths, nurses, nutritionists, and personal trainers that are ready and waiting to talk to WPA members about their health concerns. Health Advisors can answer members' questions regarding their health, and gladly design a nutritional regimen of supplements, diet and exercise that fits WPA members' needs.

- ✓ Have your health-related questions answered by Life Extensions Health Advisors for FREE
- ✓ Talk to Neuropaths, Nurses, Nutritionists and Personal Trainers
- ✓ Health Advisors can be reached every day of the year
- ✓ Members can call toll free on weekdays and weekends

Labwork

Using an advanced yet simple and effective deep cleansing and fat burning system, Wellness Plan of America offers the easiest way for members to reach their weight loss goals and achieve optimal health.

- ✓ Comprehensive 11-day and 30-day programs
- ✓ Increase longevity and vitality
- ✓ Complete educational support
- ✓ FREE coach for nutrition and cleansing
- ✓ Fully customized weight loss regimen

Global Pet Benefits

Maintaining health for the rest of your family

We know that your pet is part of your family too. That's why we created an innovative, easy-to-use service you can use at any time to connect with veterinary professionals 24/7. Speak with a certified pet expert for the best advice on caring for your pet.

Basic Pet Behavior & Nutrition Training

If your vet is closed or you are seeking advice regarding your pet's health, our pet telehealth product can help point you in the right direction. Pet Telehealth connects you with a veterinary professional day or night to answer all your questions and concerns via telephone or email.

Partners

Global Pet Benefits has partnered with the number one Veterinary discount plan in the country to give our members a 25% discount on in-house medical services at a network of over 2000 veterinary hospitals around the country.

What You Get With Us

Unmatched Care at Anytime

- ✓ After-hour service when most veterinary offices are closed
- ✓ FREE access for all WPA members
- ✓ FREE lost pet recovery service available 24/7
- ✓ Behavior review, health advice, nutrition support, and more
- ✓ Guidance for care regarding severity of pet's illness or injury
- ✓ Instant answers for pet health and behavior questions
- ✓ Real-time pet owner and veterinary consultations

Easy-To-Use Savings!

Exclusive benefits to
meet your needs

With a fully-licensed team consisting of neuropaths, nurses, nutritionists, and personal trainers you can receive answers to all your questions. Our Health Advisors are always available to provide guidance and support for any concerns you have regarding your health. The mission of WPA is to provide members with the easiest, most efficient means of reaching the optimum level of wellness to achieve the happiest, healthiest you.
